Inspiration Calendar

How does our inspiration calendar work?

Use the Limax Inspiration Calendar to discover how to use mushrooms (and original recipes) to respond to the different seasons throughout the year.

In this inspiration calendar, we tell you all about our mushrooms:

- The taste and texture
- Which culinary cuisines they go well with
- What original recipes you can make with them

Our mission

We are a group of growing and trading companies in the agribusiness in the Netherlands and Poland. We share a common mission: to ensure that as many people as possible enjoy our fresh, super-tasty and extremely healthy products: our vitality boosters.

At Limax, we are on a mission to change the world through food. We believe that food is only genuinely good if it is healthy, tasty and good for people and the planet. With our sustainable mushrooms, we are building a sustainable future every day.
